

Questionnaire on Supported Persons under the Swiss-Czech Cooperation Programme (PŠČS) in Call SC_25_001 Social Integration of Foreign Nationals in the Czech Republic

Dear Madam/Sir,

We kindly ask you to complete the following questionnaire, through which we wish to obtain more detailed information about the person you have just assisted under your project financed from the Swiss-Czech Cooperation Programme focused on the social inclusion of foreign nationals (third-country nationals, vulnerable persons, refugees, migrants, applicants for international protection).

With your cooperation, we will better understand the baseline situation of people entering your project, and the activities you have provided to help address their situation. Completing the questionnaire should not take more than 5 minutes. Please fill it in together with the supported person only once, ideally at the first in-person contact. If the client is already receiving support within your project, please complete the questionnaire at the next available contact. Thank you very much in advance for your cooperation.
